### **DETAILED ACTION**

1. Claims 23-71 are pending. The previous rejection is withdrawn pursuant to Applicant's February 16, 2006 Amendment and REMARKS.

#### ***Claim Rejections - 35 USC § 103***

2. Claims 24-70 are rejected under 35 U.S.C. 103(a) as being unpatentable over Mindrum, US 6,340,978, in view of Falk Funeral Homes by Denise Reaman, The Morning Call (hereafter Falk).

Mindrum discloses a computer implemented method permitting a user to automatically guide and filter a user in electronically customize a funeral ceremony when purchasing funeral products.

Again, Official Notice is taken that the particular funeral plan/arrangements /services and associated claim language recited from the claims has been common knowledge in the funeral ceremony business. This Official Notice is deemed admitted as no traversal of such was made by Applicant. To have provided such for Mindrum would have been obvious to one of ordinary skill in the art in view of Official Notice. The motivation for having done such would have been to incorporate common knowledge funeral planning arrangements with the electronic customizing to provide a more efficient and less expensive funeral arrangement that may be remotely accessed.

It is noted Applicant's claim language is replete with intended use claim language, e.g. permitting, to automatically guide, adapted to, that is not given as much patentable weight as positively recited claim language, e.g. a computer.

3. Further pertinent reference of interest are noted on the attached PTO-892.

***Conclusion***

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
